For the purposes of this chapter—

(1) The term “authorized committee” means, with respect to the candidates of a political party for President and Vice President of the United States, any political committee which is authorized in writing by such candidates to incur expenses to further the election of such candidates. Such authorization shall be addressed to the chairman of such political committee, and a copy of such authorization shall be filed by such candidates with the Commission. Any withdrawal of any authorization shall also be in writing and shall be addressed and filed in the same manner as the authorization.

(2) The term “candidate” means an individual who seeks nomination for election to be President of the United States. For purposes of this paragraph, an individual shall be considered to seek nomination for election if he (A) takes the action necessary under the law of a State to qualify himself for nomination for election, (B) receives contributions or incurs qualified campaign expenses, or (C) gives his consent for any other person to receive contributions or to incur qualified campaign expenses on his behalf. The term “candidate” shall not include any individual who is not ac-

(C) means funds received by a political committee which are transferred to that committee from another committee, and

(D) means the payment by any person other than a candidate, or his authorized committee, of compensation for the personal services of another person which are rendered to the candidate or committee without charge, but

(E) does not include—

(i) except as provided in subparagraph (D), the value of personal services rendered to or for the benefit of a candidate by an individual who receives no compensation for rendering such service to or for the benefit of the candidate, or

(ii) payments under section 9037.
